2016 RAM/SWANA **Solid Waste** Pre-Conference Session

Strategies for Managing Safety and Operations

6 Type II & III MPCA Direct Contact Hours for Landfill Operator Recertification

Wednesday, October 5, 2016

8:00 a.m. – 4:00 p.m.

Atrium 1, DoubleTree Hotel, 7800 Normandale Blvd, Bloomington, MN

&

Tour at Ramsey/Washington Recycling & Energy Center, Newport, MN

8:00 – 8:15 a.m.	**Welcome and Announcements**
8:15 – 9:15 a.m.	**Health and Safety:** Don Patnode, Safety & Risk Manager - KCI, MCB, BRR, ARR, Atomic Recycling & Atomic Transport. Don is an authorized OSHA trainer for both the General Industry and Construction Standards and will address general safety issues associated with transfer operations. He will highlight some of the processes and procedures that have been implemented to improve overall safety at Broadway Resource Recovery's C&D Processing Facility in Minneapolis over the past several years.
9:15 – 10:15 a.m.	**Insurance/Liability Issues and Controls:** Brian Doughty and Nick Lindberg, MCIT Loss Control. MCIT will be discussing issues associated with the most commonly seen sources of insurance liability and associated controls. This will include the topics of slip/trip/fall hazards, prevention through housekeeping, personal protective equipment decisions, site control, tipping floor operations, machine guarding and confined space entry.
10:15 – 10:30 a.m.	**Break**
10:30 – 11:30 a.m.	**Preventative Maintenance Strategies:** Steve Rosenow, General Manager RDO, Vermeer; Jeff Kockelman, After Market Manager RDO, Vermeer. An effective preventative maintenance (PM) program is critical to ensuring equipment reliability, reducing costly downtime, improving your ability to maintain an equipment maintenance budget and protecting your fleet assets. Effective PM strategies and program considerations will be presented.
11:30 – 12:30 p.m.	**Lunch**
12:30 – 1:30 p.m.	**Fire Training:** Ian Vagle, President, Vonco Waste Management (business unit of Veit USA). Ian will discuss landfill fires: how they start, what to look for/how are they identified, environmental health and safety considerations, pre-planning/communication/notifications, methods of response appropriate for site personnel, when to call for professional help, and documentation of the completeness and adequacy of the response. Ian's presentation will include real-world examples from fire responses that he has participated in.
1:30 – 2:00 p.m.	**Depart for Ramsey/Washington Recycling & Energy Center, Newport, MN** (100 Red Rock Road, Newport MN 55055. Carpooling encouraged & directions/maps will be provided)
2:00 – 3:30 p.m.	**Tour of the Ramsey/Washington Recycling & Energy Center's RDF Plant** (www.morevaluelesstrash.com)
3:30 – 4:00 p.m.	**Depart Newport/Return to DoubleTree Hotel, Bloomington, MN**
4:30 p.m.	**SWANA welcomes you to join the Young Professionals Reception. All attendees welcome.**
